

**Triple G Express, Inc.
Health, Safety, Security and Environmental Policy**

It is the policy of Triple G Express, Inc. to conduct our business in a manner that protects the health and safety of our employees, our business partners, the communities in which we operate and the environment.

We believe that safe operations are the shared responsibility of all Triple G Express employees and contractors and we pledge to work together to drive continual improvement in our health, safety, security and environmental performance.

We are committed to providing a safe and secure working environment for our employees, ensuring the safety of our operations and protecting the shipments entrusted to us by our customers. This commitment is supported through:

- Establishing relevant environmental, health, safety and security goals that drive continual improvement in our performance.
- Regularly reviewing our progress and to take necessary action to move us toward our HSS&E goals.
- Meeting all applicable local, state and federal environmental, health, safety and security laws and regulations that affect our operations. We further commit ourselves to meeting the obligations and requirements of the ACC Responsible Care Program and its Guiding Principles.
- Considering environmental impacts, the health and safety of our employees and other stakeholders and security concerns that could be affected by our operations.
- Maintaining an open dialogue with our employees, our contracts and affected stakeholders regarding HSS&E concerns.
- Making this policy available to our managers, employees, contractors and other relevant stakeholders.

It is the duty of all managers and employees to adhere to this policy and to the HSS&E procedures, work practices and other guidance developed to carry out this policy in our daily operations.
